Classic European Facial: This enhanced European facial is a unique blend of European techniques and luxurious specialized products. The skin is deep cleansed and gently exfoliated followed by a soothing massage of the face, neck and décolleté. A customized masque is applied and allowed to fully absorb while you quietly relax. This service will leave you completely rejuvenated!

\$75.00 / 50 min

Anti Aging Facial: This multi-step beautifying and skin renewal facial restores the skin's elasticity and suppleness. It re-establishes softness and vibrancy, especially to skin that is aging. Developed to simultaneously stimulate, exfoliate, and nourish multiple layers, this facial is results-oriented and aromatic.

\$85.00 / 50 min

Rosacea Cooling Facial: The face is thoroughly cleansed followed by a gentle steaming and a natural peel to exfoliate. Application of a sensitive skin serum, a calming masque, and finally a cooling facial stone massage makes this pampering treatment complete.

\$85.00 / 50 min

Teen Facial: This relaxing, beneficial treatment promotes early habits for skincare and hygiene. The specialized facial starts with a thorough skin analysis, then a deep cleansing and balancing, followed by a Zyme Peel and gentle steaming. After performing extractions as needed, the sensitive skin enzyme masque is applied, finished with the dewy Aroma Matte Day Cream.

\$60.00 / 50 min

Gentleman's Facial: Designed for men, this customized facial provides deep pore cleansing and toning to restore fitness and vitality. The facial begins with a relaxing exfoliation, followed by an enzyme treatment with steam. Next, a cooling masque is applied and massaged into the skin. The treatment finishes with an oil-free moisturizer to hydrate.

\$65.00 / 50 min

Purifying Back Facial: A treatment for your hard to reach back. Gentle cleansing and exfoliating helps eliminate impurities. Before the special masque full of nutrients is applied you will enjoy a relaxing back massage.

\$45.00 / 30 min

Microdermabrasion: Microdermabrasion can be used to treat many skin conditions such as sun damage, age spots, hyper pigmentation, fine lines, wrinkles, and enlarged or oily pores leaving your complexion fresh, vibrant, and exceptionally smooth. For best results we recommend a series of 6 to 12 treatments. This number of consecutive treatments is necessary to achieve a complete turn over in your skin.

Peels:

Glycolic Smoothing Peel: This intensive treatment is designed to rapidly exfoliate skin cells in order to clarify the complexion. First the skin is cleansed and toned. Second a glycolic peel is applied to the face followed by a balancing masque. After removal of the masque, the skin is pampered with a calming balm. The treatment finishes with an application of healing lotion and a light massage of sun protection.

\$85.00 / 50 min

Dermal Flash Peel: The face is thoroughly cleansed, exfoliated by a deep heating peel, and firmed with a lift masque. After the masque is removed a potent recovery serum with botanical extracts is massaged into the skin. The treatment finishes with a moisturizing product that leaves the skin feeling noticeably youthful and balanced.

\$95.00 / 50 min

Pumpkin Enzyme Peel: Natural pumpkin offers more than 100 nutrients and contains natural acids and anti-oxidants. This treatment begins with a thorough cleansing and toning. Next, a masque of pure whipped pumpkin is applied and allowed to penetrate the skin. After the masque is removed, the treatment finishes with an application of deep moisturizers leaving the face firm and toned.
